Gina,

A number of issues were raised during our meeting with you a couple weeks ago on the NESHAP amendments for Uranium Mill Tailings. Attached is a brief summary of how our folks have addressed these issues, particularly around (b)(5) - Deliberative Process Privilege

Mike---

We wanted to follow-up quickly on last week's FAR pre-brief on NESHAPS (40 CFR 61) Subpart W with

Gina McCarthy. The attached two-page paper clarifies the requirements for (b)(5) - Deliberative Process Privilege

[REDACTED] Please pass these materials on to Gina or use them to update her, as appropriate. If you have any questions concerning the direction we are going, please contact me or Alan.
